About Us

Gulf point is one of the leading international freight forwarding ,relocation and project logistics management companies delivering cost effective solutions throughout the Gulf Area, Middle East .

Our Vision

GP develops comprehensive freight forwarding, project logistics and relocation service plans tailored to meet specific requirements of customers.

This is accomplished by learning customers' exact objectives with regards to their internal and external requirements, thus ensuring that GP will provide quality services more consistently than any other service provider in the market .

Our tried and proven multimodal transportation routes to the gulf area and Middle East ensure international reach whatever your cargo and timeframe is.

As the preferred supplier for various Fortune 100 companies and the first point of contact to increase supply chain efficiency in the Gulf Area and Middle East, we are very proud of our reputation and always strive to maintain it.

Corporate and Social Responsibility Policy

Gulf point Values

GP aims to act in a socially responsible manner at all times and our procedures appropriate to and compliant with local laws, culture and operating conditions but within the overall context of the Company Values.

Gulf point GSR

GP Logistics Group's objective is to generate sustainable prosperity of our customers, employees and stakeholders through our business operations.

GP Logistics Group is committed to conducting business responsibly at all times, which means respecting the safety and health of our employees, protecting the environment, respecting the human rights of our employees and the residents of the communities in which we operate, and contributing to the sustainable development those communities.

GP Logistics Group Corporate Social Responsibility Policy is rooted in our company values, guided by international standards and best practices, and driven by our aspiration for excellence in the overall performance of our business. Through the efforts of each of our employees, Gulf point Logistics Group is determined to take pride in being responsible, respected, and welcomed.

GP Compliance Committee is responsible for the implementation of this policy and will make the necessary resources available to realize our corporate responsibilities. The responsibility for our performance on this policy rests with all employees throughout the company.

This Policy shall be understood, implemented and maintained at all levels of the organization as well as being reviewed periodically for its continuing suitability and effectiveness.

Why Gulf point ?

Successful freight forwarding, relocation and project logistics management services in challenging markets like the gulf and Middle East require expertise, inside knowledge, and reputation businesses can trust.

This is why GP is the preferred choice of many Fortune 100 companies in the region. Our in-depth knowledge of the GP and Middle East, coupled with our regional and international service network makes GP a leading service provider in the region.

GP provides "one-stop-solution" to meet all of your logistics requirements. Whether you are looking to relocate household goods across the region or move an offshore drilling platform across the seas, GP has the level of service, expertise and experience to make it happen.

You will get personalized service at every level with GP because we are truly independent, make our own decisions and specialize in our home market.

OUR SERVICES

Management

Supported by its own offices and associates worldwide, GP employs a team of professionals that follows up and follows through on each and every transaction we manage.

With our Global Service Network across 50 countries, we aim to be the most reliable Freight Forwarding, Removal and Relocation and Project Logistics Management Company in the market with an inspired, people-driven and dedicated approach to serving our valued customers.

While we are proficient in offering worldwide moving, freight forwarding, project logistics and related services, we are not to be satisfied with only that: we also strive to be committed advisors to our customers and associates at all times.

Market Position

GP has been recognized as one of the most successful independent freight forwarding, removal and relocation and project logistics companies in the Gulf region.

In the Gulf region transport and logistics market, GP ranks among the "top five". Publications have cited GP as one of the largest and (in terms of number of offices, employees and wide-ranging service portfolio) – most reliable companies in the Gulf market.
